

Echelon Day Care

Daycare Program (Ages 30 months to 5 years)

Program Overview:

Our daycare program is designed for children aged **30 months to 5 years**, nurturing their curiosity, creativity, and love for learning. We provide **structured, play-based activities** that prepare children for a smooth transition to kindergarten.

Learning Through Play:

- **Early Literacy & Numeracy:** Fun activities that introduce letters, numbers, and concepts naturally.
- **Problem-Solving & Critical Thinking:** Hands-on experiences to develop curiosity and reasoning skills.
- **Social-Emotional Growth:** Encouraging cooperation, empathy, and confidence in every child.

Daily Experiences:

Children enjoy a variety of enriching activities, including:

- Music and movement
- Creative art projects
- Outdoor play and exploration
- Story time sessions

Personalized Attention:

With **small group sizes**, our experienced educators provide individualized guidance in a **warm, inclusive, and engaging environment**, helping children develop independence and self-assurance.

Why Choose Echelon Day Care?

We foster a safe and stimulating space where each child can **grow, explore, and thrive**, laying the foundation for a lifelong love of learning.
